Event Schedule

The California Homebrewers Association would like to welcome everyone to the Southern California Homebrewers Festival. This year marks the 28th Fest! This weekend we are proud to be supporting more than 40 homebrewing clubs, multiple homebrew shops and gear vendors, and the invited professional brewers. By last year's account we had over 500 different kegs of homebrewed beer, cider and mead. We can't wait to see what this year has to offer! Friday night festivities will include the coveted Bragging Rights Only Competition judging, as well as a Craft Brew Pro Pour. Saturday the Festival will start with two panel discussions on brewing, two afternoon bands for entertainment, and the new segment, The Boilover, where we give out prizes and have the Grand Prize Raffle. We hope you all have a fantastic time, but please pace yourself; you don't want to miss any of it!

Cheers, The CHA Board
